

RENAISSANCE SCHAUMBURG HOTEL
Schaumburg, Illinois USA

This 500-room convention center hotel is part of a larger convention center complex. The hotel includes a signature destination restaurant, a 28,000-sf (2,601 sm) ballroom, plus junior ballrooms and meeting rooms. The design so captured the vision for Renaissance, it became the prototype for the brand. The mayor of Schaumburg deemed the project to be "as much a work of art as it is of architecture."
